

AARON MACKELL

305 Aiken Terrace, Abingdon MD, 21009

(443)- 617- 8441|aaron.mackell@my.hamptonu.edu| mackell.aaron@yahoo.com

EDUCATION

Hampton University

Bachelor of Science in Cybersecurity (Minor: Computer Science) Graduation: May 2019 GPA: 3.3

OBJECTIVE

Seeking an opportunity in cybersecurity or computer science/ information technology where my technical skills will be used.

SKILLS

Programming Languages: Java, JavaScript, CSS, HTML, Python

WORK EXPERIENCE

Google Teaching Assistant

Hampton University

May 2017 – Present

- Assisted professors in teaching HTML, JQuery, Java, JavaScript, CSS, Python and Google App Engine to incoming freshman.
- Assisted a class of 26 students in creating websites while uploading the content of their work on to their GitHub accounts.
- Guided rising high school seniors and incoming freshmen in the Hampton University Pre-College program through coursework and programming assignments while offering outside assistance in their computer science and math coursework.

CollegeHive App (Campus Ambassadorship Program or Company Representation)

Hampton, Virginia

December 2016 – May 2017

Company Representation

- Acted as a team lead for CollegeHive and completed Project: Interest Page Organization Outreach where I organized, led, and conducted various seminars to describe the app, the benefits of the app, and its purpose.
- **Results:** 2 Interest Pages were created and 50 new users downloaded the app. This provided students with the ability to stay in the know about their school events, meetings, and social gatherings.

COMMUNITY INVOLVEMENT

Sugar Coated Foundation

December 2016

- Solicited and gathered 60 **brand new** coats for elementary school children from willing students and organizations across campus.
- Distributed the new coats to local elementary school Hunter B. Andrews in downtown Hampton, VA.
